From the D C Mysore Dist

No D3-C 1385/37-38A/20 5 47

Submits estimates for drainage schemes

26) The President, Town Municipal Council Krishnarajanagar Town has countersigned the following two estimates —

i) Estimate for Rs 1,88,834/- for a comprehensive drainage scheme

ii) Rs 1,18,323/ for a part drainage scheme

27) The municipal council, have, in their meeting held on 15-4-47, resolved to take up the comprehensive drainage scheme, the cost of the works being bore by Govt and the mt Council in the ratio of 2 1

28) The municipal council, in anticipation of sanction of Govt have already credited a sum of Rs 61,111/- towards its

Drainage scheme of K R nagar 9/32 √9554

share of the cost of the works, which is nearly ⅓ of the cost of the work

29) The D C states that since the mll council have resolved to take up the comprehensive drainage work, being more urgent and important, the question of taking up the underground drainage does not arise

30) The D C therefore recommends the sanction of the comprehensive drainage scheme and a Govt grant of ⅔ of the cost viz Rs 1,25,889-5-4

31) The C E for Roads & Bldgs has scrutinised the estimate and is of opinion that surface drains will meet the needs of a small Town like Krishnarayanagar

32) In the circumstances the recommendation of the D C is for orders

23/5

33) P(note the financial condition of the mlty according to the budget for 1946-47 & 47-48. what are the actuals for the last three years for 1945-46 & 46-47 from supplements given

34) The financial position of the mlty as per budgets are detailed hereunder:—

For 1946-47		For 1947-48
opening balance	23,717/	not yet received
Receipts	52,041/-	not yet need
Total	Rs 75,758/-	
Expenditure	Rs 50,532/-	
closing Balance	Rs 25,226/-	

35) The following are TI grants made to the mlty during the last 3 years —

1 For 1943-44 nil
2) 1944-45 Rs 2,000/ for Drainage work
3) 1945-46 Rs 3,000/- for minor drainage works

14/7 RRR

Krishnarajanagar drainage scheme —

9554

L

36) The facts of the case have been stated at paras 26 to 31 supra. The Municipal Council of Krishnarajanagar are reported to have credited a sum of Rs 61,111 - equal almost to a one-third of the total cost of the Comprehensive drainage scheme estimate - as sanctioned by the C.E. for Rs 1,88,834/- they request that the first may be pleased to give the balance of two thirds as their contribution towards the work. This is only a surface drainage scheme

11 for orders

per sd/ [illegible]

~~Where is the letter~~

37) The Municipality of Krishnarajanagar is reported to be insistent that the Comprehensive drainage scheme (surface) should be taken up at once. It has also credited 1/3 of the Cost - viz Rs 61,111/- the total cost being Rs 1,88,834/- ~~[illegible]~~ It is further reported that another estimate for part drainage

for Rs 1,18 323 need 1554 ~~also~~ be sanctioned. Taking up of under-ground drainage also is not necessary.

38) ~~He~~ The D C has therefore recommended that the Comprehensive Drainage scheme may be sanctioned & that Govt may meet 2/3 of the cost as their Quota - viz Rs 1,27,723/- (from T. D. Grants funds)

39) This will be a Council subject for Consideration

Dewan s/c

Subject:- DRAINAGE SCHEME FOR KRISHNARAJANAGAR TOWN.

When the Dewan visited Krishnarajnagar Town during 1943, Lokasevanirtha Mr Bale Siddalinga Setty on behalf of the Municipal Councillors, presented an address to him and requested that the drainage scheme for the town was an urgent necessity and that it may be sanctioned Proposals were called for from the Krishnarajnagar Municipal Council. An Estimate for Rs 1,40,330 was received and as the Municipality requested that the entire cost may be met by the Goverrment as they were unable to bear any portion thereof the proposals were ordered in November 1944 to be deferred

The financial condition of the Krishnarajnagar Town Municipal Council has since improved and as the necessity for the drainage scheme at the place was keenly felt, the Municipal Council, have at their meeting held on 2-1-46, resolved to take up the drainage scheme agreeing to meet 1/3 of the cost of the estimate and requested the Government to meet the balance thereon. The estimate prepared in the year 1943 was got revised according to the present market rates and it has amounted to Rs 1,88,834. The Municipal Council have also deposited a sum of Rs 61,111 being their portion of the cost. When the file was submitted to the Minister, Local Self Government he has minuted as follows -

"This municipality has shown its earnestness by depositing their quota presuming that it would be 1/3 and anticipating the remaining 2/3 from the Government It is a good thing that they have not asked for any loan It is a well-known fact that the financial condition of most of the Municipalities in the State is not sound but their wants are many. Sanitary condition of may municipalities is very bad for want of a proper drainage system If any improvement is to be effected, the Government will have to necessarily

bear the major portion of the total estimates in most of the cases Considering the financial condition of this Municipality in Particular I think, the recommendation of the Deputy Commissioner may be accepted and the work spread over 4 years, to be met out of the yearly Town Improvement Grants. As this is a council matter ——— this may be referred to the Council for consideration".

Intd. R C.
28-2-48

The Chief Minister who is in charge of the duties of the Dewan having decided that the question may be disposed of by circulation, this note is circulated to the Ministers

The points for orders are -

(1) To sanction the estimate for Rs 1,88,834 being the cost of the drainage scheme for Krishnarajanagar Town Municipality,

(2) to meet the remaining portion of the cost of the estimate amounting to Rs.1,27,723 from the State Funds, from out of the Town Improvement Grants spreading the work over a period of four years, commencing from the year 1947-48, the yearly Grant being Rs.31,931

Circulation NOTE. 24

Subject:- DRAINAGE SCHEME FOR KRISHNARAJANAGAR TOWN.

When the Dewan visited Krishnarajnagar Town during 1943, Lokasevanirtha Mr. Bale Siddalinga Setty on behalf of the Municipal Councillors, Presented an address to him and requested that the drainage scheme for the town was an urgent necessity and that it may be sanctioned. Proposals were called for from the Krishnarajnagar Municipal Council. An Estimate for Rs.1,40,330 was received and as the Municipality requested that the entire cost may be met by the Government as they were unable to bear any portion thereof the proposals were ordered in November 1944 to be deferred The financial condition of the Krishnarajnagar Town Municipal Council has since improved and as the necessit for the drainage scheme at the place was keenly felt, th Municipal Council, have at their meeting held on 2-1-46, resolved to take up the drainage scheme agreeing to meet 1/3 of the cost of the estimate and requested the Govern to meet the balance thereon. The estimate prepared in year 1943 was got revised according to the present mark rates and it has amounted to Rs.1,88,834 The Munic Council have also deposited a sum of Rs 61,111 being portion of the cost. When the file was submitted to Minister, Local Self Government, he has minuted as fo:

"This Municipality has shown its earnestne depositing their quota presuming that it would, and anticipating the remaining 2/3 from the Gc It is a good thing that they have not asked fc loan. It is a well-known fact that the finan condition of most of the Municipalities in th is not sound but their wants are many. Sanit condition of may municipalities is very bad f of a proper drainage system If any improvemer be effected, the Government will have to nece

1/3 of Rs 1,88,834 = Rs 62,944-10-8
They have deposited Rs 61,111/-

COUNCIL NOTE

SUBJECT: Drainage scheme for Krishnarajanagar Town.

When the Dewan visited Krishnarajanagar town during 1943, Lokaseva Nirtha Sri.Bale Siddalinga Setty on behalf of the Municipal Councillors, presented an address to him and requested that the drainage scheme for the town was an urgent necessity and that it may be sanctioned. Proposals were called for from the Krishnarajanagar Municipal Council. An estimate for Rs.1,40,330/- was received and as the Municipality requested that the entire cost may be met by the Government as they were unable to bear any portion thereof, the proposals were ordered in November 1944 to be deferred.

The financial condition of the Krishnarajanagar town Municipal Council has since improved and as the necessity for the drainage scheme at the place was keenly felt, the Municipal Council have at their meeting held on 2rd January 1946 resolved to take up the drainage scheme agreeing to meet 1/3 of the cost of the estimate and requested the Government to meet the balance thereon. The Financial Secretary has agreed to the meeting of the cost in the said proportion. The estimate prepared in the year 1943 was got revised according to the present market rates and it has amounted to Rs.1,8[illegible],834/-. The Municipal Council first deposited a sum of Rs.61,111/- their portion of the cost. Subsequently on 6th October 1948 the Municipal Council has deposited another sum of Rs.1833-10-8 on its being pointed out to them that their third share of the cost fell short by this amount. When the file was submitted to the Minister, Local Self Government, he has minuted as follows:

"This Municipality has shown its earnestness by depositing their quota presuming that it would be 1/3 and anticipating the remaining 2/3 from the Government. It is a good thing that they have not asked for any loan. It is a well-known fact that the financial condition of most of the

Municipalities in the State is not sound but their wants are many. Sanitary condition of many Municipalities is very bad for want of a proper drainage system. If any improvement is to be effected, the Government will have to necessarily bear the major portion of the total estimates in most of the cases. Considering the financial condition of this Municipality in particular, I think, the recommendation of the Deputy Commissioner may be accepted and the work spread over 4 years to be met out of the yearly town improvement grant. As this is a Council matter, this may be referred to the Council for consideration."

As the Chief Minister who is in charge of the duties of the Dewan has minuted that the question may be considered at a meeting of the Council, this note is circulated to the Ministers.

The points for orders are:-

1) To sanction the estimate for Rs.1,88,834/- being the cost of the drainage scheme for Krishnarajanagar Town Municipality;

2) to meet two thirds of the cost of the estimate amounting to Rs.1,25,889-5-4 from the State funds, from out of the Town Improvement Grants spreading the work over a period of four years, commencing from the year 1948-49, the yearly grant being Rs.31,472-5-4.

for Revenue Secretary to Government.

Final note by the Minister for Local Self Government

Subject — Drainage scheme for Krishnarajanagar Town

When the Dewan visited Krishnarajanagar Town during 1943, Lokaseva-nirata Sri Bale Siddalinga Setty, on behalf of the Municipal Councillors, presented an address to him and requested that the drainage scheme for the town, which was an urgent necessity, may be sanctioned Proposals were accordingly called for from the Krishnarajanagar Town Municipal Council

An estimate for Rs.1,40,330/- was received and as the Municipal Council requested that the entire cost may be met by the Government owing to their inability to bear any portion thereof, the proposals were ordered in November 1944 to be deferred

The financial condition of the Krishnarajanagar Town Municipal Council has since improved and as the necessity for the drainage scheme at the place was keenly felt, the Municipal Council have, at their meeting held on 2nd January 1946, resolved to take up the drainage scheme, agreeing to meet one third of the estimated cost and have requested the Government to meet the balance The Financial Secretary has agreed to the cost being met in the said proportions

In the meanwhile the estimate prepared in the year 1943 was got revised according to the present market rates and it has amounted to Rs.1,88,834/- The Municipal Council have deposited a sum of Rs 62,944-10-8, being a third share of the cost of the work as agreed to by them previously When the file was submitted to me, I minuted as follows -

"This Municipality has shown its earnestness by depositing their quota, presuming that it would be 1/3 and anticipating the remaining 2/3 from the Government It is a good thing that they have not asked for any loan It is a well-known fact that the financial condition of most of the Municipalities in the State is not sound but their wants are many Sanitary condition

of many Municipalities are very bad for want of proper drainage system If any improvement is to be effected, the Government will have to necessarily bear the major portion in most of the cases Considering the financial condition of this Municipality in particular, I think, the recommendation of the Deputy Commissioner, may be accepted and the work spread over four years to be met out of the yearly Town Improvement grant

The question was considered at a meeting of the Council and the following opinion was recorded -

"The estimate for Rs. 1,88,834/- is sanctioned, half the amount being paid by the Government as a grant The other half has to be borne by the Municipality "

I solicit the gracious approval of His Highness to the above resolution of the Council

R Channigaraya

MINISTER FOR LOCAL SELF-GOVERNMENT

Deputy Commissioner,
Mysore District.

To

J.B.Mallaradya, Esq , M A ,
Secretary to Government,
Revenue Department,
Bangalore.

Sir,

Drainage scheme for Krishnarajanagar

Adverting to correspondence ending with your letter No L 4829, ML 73-43-17 dated 20th November 44 stating that it is not possible for Government to meet the entire cost of the scheme and that the question might lie over for the time being, I have the honour to forward herewith, a detailed report received from the President, Town Municipal Council, Krisharajanagar together with an extract from the proceedings of the meeting of the Municipal Council, held on 2nd January 46 resolving to meet 1/3(one third) cost of the part estimate of the scheme viz , Rs 29,300/- to be taken up immediately the other 2/3 being met by Government as expressed in their earlier letter No 1070 ML 73-43-15 dated 1st August 44. They have also credited the amount by transfer under 17A P.W.D. as No Sany 17 A.P.W.I. on 9th January 46 meeting the cost out of the closing balance Copy of the resolution dated 2-1-1946 and duplicate credit challans are enclosed

The necessity for taking up the scheme and working it in part need not be stressed The question has been engaging the attention of Municipal Authorities since 1929 and it is only for want of funds that the question was being denied Conditions have since changed After shifting of the old town to the present site, the town has developed, new houses have sprung up, extensions have been formed. The town has been provided with a system of protected water supply and it has been electrified also But it lacks the efficient system of drainage which is the most needed to-day Its growing importance as the biggest paddy supplying centre in the State also render it necessary to have this amenities. The need was also urged by the Municipal Council, before the Ministers of Public Health and Local Self Government, Revenue, Education and Public Health, who visited the place recently

I request in these circumstances, that Government may be kindly moved to reconsider their order in the light of views expressed in their letter No L 1080/ML.73-43-15 dated 1-8-44 and of the fact that 1/3 share of the cost has been paid and to accord sanction to the part estimate submitted by the Sanitary Engineer I would further request that necessary arrangements may be kindly made for taking up the work before the close of the year and that necessary approval of Government may be kindly obtained for the action of the Council in having paid their quota out of their closing balance of the Municipality The connected estimates and paper accompany

I have the honour to be,
sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District

The Secretary to Government,

Revenue Department, Bangalore.

Sir,

Regarding the drainage scheme for Krishnarajanagar Town.

With reference to your letter No.L.8530 dated the 7th December 1947 regarding the above, I have the honour to state that an underground drainage scheme for Krishnarajanagar is not desirable as the existing water supply to the town is not adequate to flush the underground pipe sewers. The underground drainage scheme can be taken if the water supply is ~~provided~~ improved. But improvements to water supply will be prohibitive in cost. Besides, the surface drains will also have to be laid in addition to serve as storm water drains. In a town like Krishnarajanagar, the underground drainage will not serve as useful purpose as majority of the houses will not take house connections as they are generally constructed of mud and thatties.

In these circumstances, I am of opinion that surface drains will meet the needs of a small town like Krishnarajanagar.

I have the honour to be
Sir,
Your most obedient servant,

Chief Engineer for Roads
and Buildings.

Subject Drainage Scheme for Krishnarajanagar Town

Adverting to your letter No L 8529 dated 7th December 1946 on the above subject, I have the honour to retransmit herewith, the two estimates - one for Rs 1,88,834 for a comprehensive drainage and another for Rs.1,18,323 for a part drainage scheme received from the President, Town Municipal Council Krishnarajanagar after consideration by the Council with report No.H C 101 dated 3rd May 1947 together with copy of Council resolution dated 15th April 47

It will be seen that the Council have agreed to take up the comprehensive scheme for Rs 1,88,834 once for all and have credited the balance to make up their quota of one-third i e Rs 23,504 to 16 P W Sanitary Division on 23-4-47, meeting the cost out of the Closing Balance in anticipation of kind approval og Government The details of amount credited with dates till now are noted in the margin Almost the whole of one-third of

9-1-46	29,303	0	0
28-8-46	8,304	0	0
23-4-47	23,504	0	0
	61,111	0	0

Total cost of the Scheme - 1,88834 0 0
$\frac{1}{3}$ = 62,944-10-8

of the cost has been credited and the council have urged that Government be now pleased to grant the remaining $\frac{2}{3}$ early and instruct the Sanitary Department to start the work at the earliest date practicable as it is a long felt want of the town people who have been pressing for it again and again paying their quota in advance In view of these credits, the 2nd point in the letter under advertance does not arise

The question of taking up the underground drainage does not also arise in the light of the resolution, the need for the Surface drainage being more urgent and insistent

I request, in the circumstances, that the compreshensive Surface Drainage estimate which has been accepted by the Council may be kindly sanctioned and the Government may be pleased to grant $\frac{2}{3}$ of their quota of cost I also request that necessary instructions may be issued to the Sanitary Engineer to start the work immediately

I have the honour to be,

In Secy to Govt Genl Dept

Read— Correspondence ending with letter No D3 C 1385/4748 Dt 16 10 48, from the Dy Commr, Mysore Dt, re the Drainage scheme for the Krishnaraja-nagar Town at an estimate Cost of Rs 1,88,834-

Order thereon.—No 12771-5/RE 63-48-29 4/5/49

The Municipal Councillors of Krishnarajanagar Town while presenting an address to the Dewan during his visit to the town during the year 1943, requested that the Drainage scheme for

to town, which was an urgent necessity for the town, may be sanctioned. Proposals were accordingly called for from the Krishnaraja-nagar Town Mnl cl

An estimate for Rs 1,40,330/- was received in this behalf and as the Mnl cl requested that the entire cost may be met by the Govt owing to their inability to bear any portion thereof. The proposals were ordered in November 1944 to be deferred

The financial condition of the Krishnarajanagar Town Mnl cl has since improved and as the necessity for the drainage scheme at the place was keenly felt, the Mnl cl have, at their meeting held on 2-1-46, resolved to take up the drainage scheme, agreeing to meet one-third of the estimated cost and requested the Govt to meet the balance

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

Read:-

Correspondence ending with letter no.B3.C.1385/47-48 dated 16th October 1948, from the Deputy Commissioner, Mysore District, regarding the drainage scheme for the Krishnarajanagar Town at an estimated cost of Rs.1,86,834/-

ORDER NO. L. 12771-5 | PW — 63-48-27

Dated, Bangalore, the 4 Sept 49

The Municipal Councillors of Krishnarajanagar Town Municipality while presenting an address to the Maharaja during his visit to the town in the year 1943, requested that the drainage scheme which was an urgent necessity for the town, may be sanctioned. Proposals were accordingly called for from the Krishnarajanagar Town Municipal Council.

An estimate for Rs.1,40,330/- was received in this behalf and as the municipal council requested that the entire cost may be met out by the Government owing to their inability to bear any portion thereof, the proposals were ordered in November 1944 to be deferred.

The financial condition of the Krishnarajanagar Town Municipal Council has since improved and as the necessity for the drainage scheme at the place was keenly felt, the municipal council have, at their meeting held on 2nd January 1946, resolved to take up the drainage scheme, agreeing to meet one third of the estimated cost and requested the Government to meet the balance.

In the meanwhile, the estimate prepared in the year 1943 was got revised according to the current market rates and it amounted to Rs.1,86,834. The Municipal Council deposited a sum of Rs.62,244-10-8 being a third share of the cost of the work as agreed to by them previously.

Having regard to the urgency of taking up the scheme in the interests of the sanitation and health of the inhabitants of the town, Government are pleased to sanction the estimate for Rs.1,83,834/- for the drainage scheme for the Krishnarajanagar Town, the work being spread over a period of four years. They further direct that the cost of the scheme be met by the Government and the municipal council in equal proportion

The Government share of the cost during each year amounting to Rs.23,604/- will be met from the provision made under Town Improvement grants in the State Budget of the respective years. The first instalment of Rs.23,604/- will be met out of the Town Improvement Grants for 1948-49.

The Deputy Commissioner, Mysore District, is requested to instruct the President, Krishnarajanagar town municipal council to deposit the balance of their share to make up the half the cost of the work very early, and to draw and place the grant at the disposal of the Public Works Department (Sanitary Engineering Bureau).

The Chief Engineer for Roads and Buildings is requested to take necessary action in the matter of taking up the work early and executing it expeditiously.

For Secretary to Government,
General Department.

SECRETARIAT TO GOVERNMENT MYSORE No Date GENERAL DEPARTMENT

Sir,

Subject Drainage scheme for K R Nagar Town

I have the honour to forward herewith the letter No O C 90/48-9 dated 31-5-1949 of the President, Town Municipal council, K R.Nagar addressed to the Minister for Local Self Government together with the connected records on the above subject and to state as follows.

Government in their order No L 12771-6 Mi 63-48-27 of 4-5-1949 have sanctioned an estimate for Rs 1,88,834/- for drainage scheme for K R Nagar town, the work being spread over a period of 4 years and the cost being met by Government and the Municipality in equal proportions Now on receipt of this Government order, the Town Municipal council, K R Nagar at their meeting held on 28-5-49 resolved that Government be requested to sanction a grant equal to 2/3 (Two-third) of the estimated cost of the scheme in view of their repeated requests to Government regarding the cost of scheme to be met by Government and Municipality in the proportion of 2/3 1/3 on account of the slender resources of the Municipality The President, has accordingly submitted the records for modified orders of Government

In the circumstances, I request that you will be so good as to obtain early orders of Government in the matter

Yours faithfully,

ANR
